Although my house is 8,900 miles away in India, I am at home at Luther Rice Seminary/University. The people here are much more than friends; they are my family. They have embraced me and loved me. In their love, they are showing the love of Christ, which I believe everyone experiences and gives. The faculty demonstrates that they care. I am honored to have been adopted into their family. With my education, I have been blessed in two ways: learning about God and all His wonders and learning about this institution. Luther Rice excels in the quality education it provides to students. Jesus said that 'His house would be a house of prayer for all nations' (Mark 11:17). Luther Rice Seminary/University demonstrates the true essence of that house.

LeeAna Sane, Master of Arts in Ministry graduate, May 2006.

I had been out of school for a few years when God opened the door for me to come here, and I can say that the experience has been nothing but a blessing. The faculty, staff, and student body are all very warm, and the practical approach of the curriculum began impacting my ministry immediately. I am looking forward to earning my Masters degrees from Luther Rice Seminary/University and seeing how God will use them to further His kingdom.

Chris Morrison, Bachelor of Arts in Religion graduate, May 2009

GENERAL INFORMATION

A BRIEF HISTORY

In 1961, Dr. Robert Gee Witty, Pastor of the Central Baptist Church, presented the need for a seminary in Jacksonville, Florida to several Southern Baptist pastors. In May, 1962, Dr. Witty secured five pastors who signed the charter application which he had prepared. On June 14, 1962, the State of Florida granted the charter. The Central Baptist Church agreed to provide space and office assistance for the new institution.

The first classes met in facilities provided by the church on September 11, 1962. All faculty were Southern Baptist pastors who served Luther Rice Seminary without pay.

Business of the Seminary was conducted until 1968 by the Board of Trustees, with Dr. Witty as Chairman. Frequently the faculty was invited to participate. Dr. Clyde Jones, Dr. Pat Wimberly, and Dr. Kenneth Umphrey served as part-time presidents until 1968. In that year, Dr. Fred Williams was elected as Chairman of the Trustees, and Dr. Witty became president. In 1970, Dr. Witty became the first full-time president.

By 1964, 94 students had registered, and 16 pastors served as part-time faculty. At that time the curriculum prepared by Dr. Witty for the external program was adopted by the Board of Trustees and offered to the public. This innovative, nontraditional system attracted thousands of students in the United States and such international interest that by 1978, students from 52 countries were registered. A faculty of full-time professors has served the institution since 1976.

In 1968, Luther Rice Seminary purchased property from the Central Baptist Church and returned the same property to the church as a gift when the Administrative Building at 1050 Hendricks Avenue was purchased in 1970. Later, classrooms were established in the Instructional Building located on Prudential Drive. The Bertha Smith Library, constructed on Home Street, was opened for use in the Spring of 1982. All were purchased and constructed debt free.

In May 1982, Dr. Witty retired as president to become the Chancellor. He retired from the chancellor's office in May, 1987. Dr. Witty went home to be with the Lord on June 20, 2007.

In May 1982, Dr. Gene Williams became president of Luther Rice Seminary. He had earned an academic doctorate (Th.D.) from New Orleans Baptist Theological Seminary and was known internationally as an evangelist.

In August 1988, a church building and property in Lithonia, Georgia (a suburb of Atlanta) were donated to the Seminary. In June, 1991, construction of new facilities began. In August 1991, the Seminary moved its main campus to this location.

At a Trustees' meeting in September 1991, Dr. Williams became Chancellor-Elect. At the same meeting Dr. James Bryant, Executive Vice President, was approved to become President-Elect. Dr. Bryant also had a broad ministry background. He had earned an academic doctorate (Th.D.) from Southwestern Baptist Theological Seminary and had served as pastor of several Southern Baptist churches. His experience also included serving as a church staff member and on the Board of Trustees of two Southern Baptist seminaries.

Dr. Bryant was inaugurated on May 6, 1992. Dr. Williams became Chancellor at the same service, and he became Chancellor Emeritus in 2005.

Dr. Bryant resigned as President, effective April 1, 1993, and Dr. James L. Flanagan was elected Interim President, effective April 1, 1993.

Dr. Flanagan joined the institution in 1982, serving as a faculty member and later as Vice President for Academic Affairs. He served as the interim President from April 1, 1993 until May 13, 1994, when he was inaugurated as President. Dr. James L. Flanagan was elected Chancellor and CEO, effective September 30, 2005. Dr. Flanagan's academic preparation includes an earned doctorate (Ph.D.) from Southwestern Baptist Theological Seminary.

Dr. John M. Borek, Jr., was elected President and COO, effective September 30, 2005. He joined the institution in 2004, serving as a faculty member and as Provost and COO. Prior to joining Luther Rice Seminary/University, he served, from 1997 until 2004, as the President of Liberty University. Prior to that time, he served a major university for 30 years as a faculty member and as a senior administrator. Dr. Borek's academic preparation includes an earned doctorate (Ph.D.) from Georgia State University. He is ordained as a Baptist minister.

In 2004, the Board of Trustees approved the use of the name Luther Rice University for the institution. The legal corporate name is now Luther Rice University, Inc.

Upon Dr. Borek's resignation to dedicate himself to consulting in May 2006, Dr. Flanagan reassumed the position of President.

HISTORICAL EXAMPLE

The man Luther Rice (1783-1836) is known in Baptist history for his contributions to missionary endeavor, Baptist cooperation, and ministerial education. A better name could not have been chosen by the founders of the University. What Luther Rice believed provides the philosophical basis on which Luther Rice Seminary/University is built.

Luther Rice believed in missions. He was a missionary who felt that every Christian had both the responsibility and the privilege of sharing in the work of world-wide evangelism.

Luther Rice believed in cooperation between churches. He devoted his life to traveling from church to church uniting Christians to support missions. His efforts resulted in the formation of the Triennial Baptist Convention (1814).

Luther Rice believed in Christian education. He established Columbian College (now George Washington University) in Washington, DC for the single purpose of training Christians to serve Christ effectively. At the time of his death, he was in South Carolina raising funds for the college.

Luther Rice believed in the authority of the Bible. His study of the Bible, while en route to Burma as a missionary volunteer with Adoniram Judson, convinced him of the necessity of changing his doctrinal position on baptism. The Bible provided him with the doctrinal foundation for his entire life and ministry.

Luther Rice believed in the power of the Holy Spirit. He believed that the Holy Spirit is the supreme teacher, the interpreter of Scripture, and the impartor of spiritual gifts to Christians.

Luther Rice believed in Bible preaching. He was an eloquent preacher who traveled the eastern and southern states preaching the Bible.

Luther Rice was a Baptist. He held to the great distinctive Baptist doctrines concerning the church, its ordinances, its autonomy, and its basis for cooperation.

PURPOSE

The purpose of Luther Rice Seminary/University is to provide theological education for Christian ministers and leaders around the world with an end to granting undergraduate and graduate degrees.

PHILOSOPHY

Luther Rice Seminary/University affirms the Bible as the inerrant and infallible Word of God and teaches all programs from a biblical worldview. The University maintains that providing a theological foundation consistent with its doctrinal statement will equip the student to carry out ministry around the world.

The University desires to inculcate a Christian ethic into its students so that they exemplify excellence in every area of life. The faculty members are committed to modeling Christian character for the students as an essential part of the learning process. The faculty does not merely impart knowledge but seeks to develop disciples of the Lord Jesus who will impact their world for His sake.

The University holds that learning occurs through various means including observation, instruction, and research. Because all truth has God as its source, the entire body of knowledge is consistent with, and not contrary to, God's revelation. Research and study in all disciplines are possible because of (1) the inherent logical structure of the created order, (2) the absolute nature of truth, and (3) humanity's creation in the image of God with the potential to relate to Him by faith and with the ability to engage their minds in academic pursuits.

DOCTRINAL STATEMENT

As stated on the application for admission, an applicant must affirm belief in Articles I through XI of this Doctrinal Statement. Article VII has been modified for students. See page 6.

- I. *THE SCRIPTURES.* We believe that both the Old and New Testaments are verbally inspired by God and are inerrant in the original writings. Through the providence of God, the Scriptures have been preserved and are the supreme and final and adequate authority in faith and life (Ps 19.7; 2 Tim 3.16; 2 Pet 1.21).
- II. *GOD.* We believe that there is only one true and living God existing in three Persons--Father, Son, and Holy Spirit--each a distinct Person, but all of one essence and all having the same nature, perfections, and attributes, and each is worthy of precisely the same worship, confidence, and obedience (Gen 1.26; Jer 10.10; Matt 3.16-17; 28.19).
- III. *JESUS CHRIST.* We believe that Jesus Christ is the Son of God, begotten by the Holy Spirit, born of the virgin Mary, that He shed His blood on Calvary as a vicarious substitute, was buried, rose again bodily, and ascended to the Father according to the Scriptures (Isa 7.14; Matt 1.18-25; 1 Cor 15.3; Heb 4.15).
- IV. *HOLY SPIRIT.* We believe that the Holy Spirit is the third Person of the Trinity, very God, co-existent with the Father and the Son. The Holy Spirit is the chief agent in the regeneration, the chief convictor of sin, and the chief comforter of the believer. Simultaneous with regeneration, the Holy Spirit baptizes the believer into the body of Christ (Matt 28.19; John 16.7-11; Acts 5.3-4; Rom 8.9; 1 Cor 12.12-14)

- V. *MAN*. We believe that man is the direct creation of God--body, soul, and spirit--and is not in any sense the result of evolution but is made in the image of God. Adam, the first man, sinned by disobedience. This act resulted in the fall of mankind and incurred both physical and spiritual death for all (Gen 1.26-27; Rom 3.10,23; 5.12).
- VI. *SALVATION*. We believe that all who, in faith, receive the Lord Jesus Christ as Savior are born again by the Holy Spirit and thus become the children of God. Salvation involves redemption, regeneration, justification, sanctification, and glorification (John 1.12; 3.3; 17.17; Rom 8.29-30; Eph 2.8-9; 4.30; Tit 3.5).
- *VII. *SECOND COMING*. We believe in the literal, visible, personal, pre-millennial, pre-tribulational return of Jesus Christ for His Church. At this event the dead in Christ and living believers will be translated to meet Him in the air. At the end of the seven year tribulation, Christ will visibly descend with the saints to establish His earthly millennial kingdom (Acts 1.11; 1 Thes 4.13-18; Rev 20.1-6).
- VIII. *SATAN*. We believe that Satan was originally created a perfect being. He rebelled against God. As a result, he became depraved, the Devil, an adversary of God and His people, and leader of a host of angels who fell with him. Satan has been judged and defeated at the cross and awaits his ultimate doom at the Second Advent of Jesus Christ (Isa 14.13-14; Ezek 28.13-17; John 16.11; 1 Tim 3.7; Rev 20.10).
- IX. *HEAVEN*. We believe in the eternal abode of God and the holy angels, where Jesus intercedes for His people on earth and where the spirits of departed saints await their resurrected, glorified bodies. Heaven is a literal place of conscious bliss to which all saints go upon death and from which the Lord Jesus Christ will come to receive those saints who are alive at His coming. To depart and be in heaven is to be "present with the Lord" and so is "far better" than to remain alive on earth, but the eternal blessedness of heaven is only for those who possess eternal life through faith in the atoning work of Christ (Heb 12.22-24; John 14.1-3; 2 Cor 5.1-10; Phil 1.23, 3.20-21; 1 Thes 4.16-18; Rev 21.1-22.5; John 14.6).
- X. *HELL*. We believe that hell is a literal place of judgment created for the devil and those angels who followed him in his rebellion against God. In the final state, the devil and his demons will spend eternity banished from the presence of God in the Lake of Fire. This same final punishment also awaits all unredeemed people who refuse to believe on the name of the Lord Jesus Christ. The Scriptures declare that the torment of all the inhabitants in the Lake of Fire lasts forever. Prior to the final state, the soul of the unjust at death is condemned to hades in a state of conscious torment until the resurrection of the unjust. At this resurrection, the disembodied soul is reunited with the resurrected body and cast into the Lake of Fire (Rev 20.10; Matt 25.41; Mark 9.43-48; Rev 14.11; 20.10, 15; Luke 16.19-31; Jn 5.29; Rev 20.11-15).
- XI. *THE PRIESTHOOD OF THE BELIEVER*. We believe in the priesthood of all believers so that every Christian has direct access to God in prayer through Jesus Christ, our great High Priest, and that there is no mediator between God and man other than Jesus Christ (Heb 4.16; 1 Tim 2.5; Rev 1.6).

- XII. *SECURITY OF THE BELIEVER.* We believe that salvation is not only a gift from God but also is sustained by the Lord. The Holy Spirit permanently indwells the believer and seals him in salvation for all eternity. Therefore, since salvation is wholly of the Lord, apart from the works of man, we hold that the believer shall be kept by the power of God through faith unto eternal salvation (John 10.28; 14.16-17,26; 1 Cor 2.9-14; Eph 1.13; 2.8-9; 1 Pet 1.5; Jude 24-25).
- XIII. *PROVIDENCE.* We believe in the providence of God, but that He is not the author or approver of sin nor the destroyer of the free will and responsibility of man (John 3.16; Rom 8.28-30).
- XIV. *THE LORD'S DAY.* We believe that Sunday is the Lord's Day and is a Christian institution for regular observance of worship and spiritual devotion, both public and private (1 Cor 16.2; Rev 1.10).
- XV. *CREATION.* We believe the triune God created the universe apart from pre-existing materials and without any evolutionary process. We believe in the historicity of the first eleven chapters of Genesis (Gen 1.1; Matt 19.4; John 1.1-3; Rom 1.20; Col 1.16-17; Heb 11.3).
- XVI. *THE LOCAL CHURCH.* We believe that the New Testament church is a local body of baptized believers with Christ as its head and the Holy Spirit as its guide. New Testament churches promote God's work by cooperating together for missions and many other joint efforts. The local church is to be governed independently of outside persons, bodies, groups, or authorities (Matt 28.16-20; Acts 1.6-8; 6.3; 1 Cor 12.12-14; Eph 1.3-6,22-23; 1 Thes 4.16-18).
- XVII. *ORDINANCES.* We believe that the local church observes two ordinances--baptism and the Lord's Supper. We believe that all who have received Christ as Savior and Lord should be baptized in the Name of the Father, the Son, and the Holy Spirit; that baptism is by immersion in the likeness of the death, burial, and resurrection of Christ; and that the Lord's Supper should be observed in remembrance of Him to show forth His death for our sins until He comes again (Matt 26.26-30; 28.19-20; Rom 6.3-6; 1 Cor 11.23-26).

* *For students, Article VII reads as follows: We believe in the literal, visible, personal return of Jesus Christ.*

DENOMINATIONAL AFFILIATION

Luther Rice Seminary/University is committed to the doctrinal beliefs of the Southern Baptist Convention and to Southern Baptist churches, missions, and evangelism.

However, the right of each student to affiliate with another evangelical denomination is respected.

The University is a non-profit religious institution of higher education chartered by the State of Florida, is located in the State of Georgia where it operates as a foreign corporation, and is governed by a Board of Trustees. It is not owned, controlled, or endowed by any denomination, agency, convention, or association.

STANDARDS OF CONDUCT

In this day of disappearing moral absolutes, it is imperative that all Christians be reminded that the Bible, as the revelation of God's truth, must determine not only one's doctrinal beliefs, but also one's lifestyle. In a changing world, the Christian has an unchanging standard, the Word of God. The LRU "Standards of Conduct" are based upon the teachings and principles of Scripture, seeking to develop personal holiness and discipline exemplified in a lifestyle glorifying to God.

LRU offers educational excellence with a distinctive purpose. Included in that purpose is a student's total growth and development in preparation for a Christian ministry. We are interested in imparting spiritual knowledge and teaching biblical values, both of which promote the tradition of conservative, evangelical, and fundamental local churches. We are also dedicated to nurturing an exemplary lifestyle for our students.

The LRU Board of Trustees, administration, and faculty have committed to Luther Rice Seminary/University the highest standards of Christian conduct required to fulfill our stated mission. The following "Standards of Conduct" are intended to guide students who matriculate at LRU. A more detailed description of acceptable conduct is found in the Student Handbook. All LRU students are required to adhere to the "Standards of Conduct" and to indicate so on the application for admission.

Student Affidavit

I understand that preparation for Christian work requires my personal commitment to the Lord Jesus Christ and separation from sin. I further realize that as an LRU student, I represent the Lord Jesus Christ as well as the Institution. I am aware that the Scriptures prohibit certain behaviors and attitudes such as stealing, lying, gossiping, backbiting, profane language, drunkenness, drug abuse, sexual immorality, occult practices, cheating, lust, pride, bitterness, discrimination, jealousy, and an unforgiving spirit. In addition, I understand that certain types of activities are questionable and will avoid these activities for testimony's sake.

Therefore, as a member of the LRU family, I pledge myself without reservation to the following lifestyle commitments:

1. Strive for excellence as a student and in all that I do;
2. Submit to the authority of the Scriptures in matters of faith and conduct at the control of the Holy Spirit;
3. Cooperate respectfully with those in authority at the Institution;
4. Participate actively in promoting the cause of Christ, including endeavoring to win others to faith in Him;
5. Refrain from behavior that will reflect discredit upon the Lord and offend a weaker brother;

6. Avoid the acts of the flesh: "Adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, envyings, murders, drunkenness, revelings, and such like" (Gal 5.19-21). The term translated "witchcraft" (Gal 5.20) is *pharmakeia*, from which we get the words "pharmacy" and "pharmaceutical." Therefore, the unlawful possession, use, or distribution of drugs and alcohol (on or off LRU property) is strictly prohibited. This prohibition applies to all students and all employees. Further, such possession, use, or distribution will result in disciplinary action taken by the Institution and may result in local, state, and federal legal sanctions.
7. Maintain a personal appearance and dress which will honor Christ.

I understand that the "Standards of Conduct" are to guide my behavior both on and off campus for the time I am enrolled at LRU. FAILURE TO ABIDE BY THE "STANDARDS OF CONDUCT" CAN LEAD TO DISMISSAL FROM THIS INSTITUTION AT THE ADMINISTRATION'S DISCRETION.

While the Institution recognizes that personal preferences differ and that every member of the Institution community might not agree with every detail of these standards, I must honorably adhere to them. Such an attitude on my part is one of the ways I can develop Christian discipline, exhibit Christian maturity, and demonstrate the love of Christ in concern, both for the integrity of the Institution and the welfare of other believers.

STUDENT DISCIPLINE

The breaking of the "Standards of Conduct" code can result in disciplinary action being taken against the student.

Violations of the criminal and civil codes of the United States and of state laws can also result in disciplinary action.

Disciplinary action can range from temporary probation to permanent expulsion from Luther Rice Seminary/University.

The Dean of Students, or an appropriate representative, will be responsible for recommending the discipline to be taken after consultation with the student and other Luther Rice Seminary/University faculty/staff who may be involved in or aware of the incident.

The student may appeal to the appropriate dean if he is dissatisfied with the disciplinary procedures taken.

BASIC ASSUMPTIONS

The administration and faculty make several basic assumptions about students at LRU. The assumptions dictate the nature of both student life and Christian service.

Student Maturity: The Institution assumes that its students have a measure of maturity and a degree of motivation which enable them to comply with the "Standards of Conduct."

Active Student Ministry: The Institution assumes that students will be involved in some aspect of Christian ministry. A student may be a pastor, deacon, church staff member, church musician, Sunday School worker, missionary evangelist, or a Christian witness.

Student Worship: The Institution assumes that students desire to worship God in fellowship with their peers. Therefore, LRU conducts chapel services for the on-campus program.

Student Counseling: The Institution assumes that students occasionally need to seek vocational, educational, or spiritual counsel from institution officials. Therefore, academic deans, all administrators, and faculty members are available, by appointment, to meet with students. The Academic Advising Office is available to assist students. For personal counseling issues, career counseling, or career testing, students can also contact the Discipleship Counseling Department for referrals.

Student Participation: The Institution assumes that students are a vital part of the institution and that their individual and collective voices need to be heard by the faculty and administration of the Institution. Every student, therefore, has the right and responsibility to participate in the student government. The student body elects its officers each year in the spring. The officers elected include the president, vice-president (graduate), vice-president (undergraduate), and secretary/treasurer.

The Student Council is designed to meet four basic objectives:

1. To cooperate with the officials of the Institution in promoting the best interests of the institution;
2. To promote the general welfare of the students;
3. To encourage students to honor the Lord Jesus Christ in all activities;
4. To promote fellowship among the on-campus students.

Alumni Support: The Institution assumes that students will desire to continue to support the Institution after they graduate. Therefore, the Alumni Association has been established to allow graduates and former students opportunity for fellowship, prayer, financial support, and promotion of LRU.

GENDER AND MINISTRY

Luther Rice Seminary/University recognizes that throughout church history God has been pleased to use both men and women in marvelous ways for the advancement of the gospel. We also recognize that the Christian community has long held diverse opinions regarding the roles of women in ministry. Sincere and godly people hold varying positions on this subject.

While recognizing and respecting this diversity, as an institution and faculty, Luther Rice Seminary/University believes and teaches that the role of church pastor can be fulfilled biblically only by a man (1 Tim 2.12; 3.1-7; Heb 13.7, 17). Christian women, however, are gifted and are called to a broad array of other ministries.

The recognition of scriptural gender distinctions neither disparages one sex nor exalts the other. It is simply the proper response to God's revelation regarding His creation (Gen 2.18; 3.16; 1 Cor 11.8, 9; 1 Tim 2.13-14), His children (Gal 3.28; Eph 5.22-33), and His church (1 Tim 2.12; 3.1-7, Tit 1.5-9).

We affirm the call of God and the ministry gifts that He graciously bestows upon both sexes for effective Christian service within the parameters of His Word. No student is excluded from pursuing any degree because of gender. In all classes every student is given the respect befitting a fellow servant and brother or sister in Christ (1 Jn 4.7-8).

SAME-SEX BEHAVIOR AND UNIONS

Given that the administration, faculty, and staff of Luther Rice Seminary/University are committed to the fact that both the Old and New Testaments are the verbally inspired Word of God and that Scriptures are the supreme and final authority in faith and life, we are compelled to regard God's statements concerning the issue of same-sex behavior and partnerships as binding. An examination of both Testaments reveals that God is consistent concerning his position on this issue. Genesis 19 indicates that the homosexual lifestyle was a significant sin for which Sodom and Gomorrah were judged (see also Jude 7). In Romans 1, the apostle Paul, speaking under inspiration, depicts the downward spiral of human morality over time. In this passage, both homosexual and lesbian behaviors are condemned (vs 26-27).

In light of the Scripture, the administration, faculty, and staff of Luther Rice Seminary/University cannot with a good conscience towards God knowingly admit or retain a person who has adopted a same-sex lifestyle. While the Institution does not denigrate the dignity of the individual's personhood or deny the worth of his soul, the Institution cannot condone the chosen lifestyle.

Alternatively, one may wish to enroll in the LRU M.Div. program and transfer as many hours as are applicable to the M.Div. degree (60 hours maximum). In this case, the M.Div. degree is awarded and the student applies for entrance into the D.Min. program as outlined above.

English Language Competency Requirements

Proof of English proficiency is required to enter Luther Rice Seminary/University for students whose primary language is not English*. All applicants who will be studying in the U.S. on an F-1 student visa and have a primary language other than English must verify English language competence. This requirement is a United States Citizen and Immigration Services (USCIS) regulation. Students may verify English competency by providing evidence of completion of either:

- Completing an authorized English as a Second Language (ESL) program
- Completion of the Test of English as a Foreign Language (TOEFL).

The TOEFL is the accepted industry standard for English aptitude certification. Each TOEFL exam mode has a separate scoring range, thus the need for three minimum score requirements. The minimum scores for admission are:

Internet Based Test	61	79

Prospective students must provide LRU with an official copy of their test results. **The TOEFL institution code for LRU is 8489.** When the code number is entered on the exam, official test results will be automatically forwarded to LRU. *D.Min. students who are doing their work and receiving their instruction in Korean are exempt from the TOEFL requirement.

IMPORTANT INFORMATION FOR STUDENTS IN F-1 STATUS

* All F-1 students should be enrolled as full-time students each semester throughout their entire program. Students in the bachelor program must maintain four classes each semester (12 hours), and students in the master program must be enrolled in three classes each semester (9 hours). Doctor of Ministry students must be enrolled in 3 credit hours, 12 clock hours per week while completing research or a combination of both. These hours must be maintained and verified to avoid being out of USCIS status.

* On campus Courses: Students are required to take a minimum of 9 hours on campus (BAR); graduate students must complete 6 hours on campus (MA, M.Div.). Three (3) additional hours are required and may be completed online or on campus.

* Online Courses: Students are not limited to one online course, but no matter how many he/she takes, only one course counts toward maintaining a full course of study. Students must remain active in the online course and complete all course assignments. Attendance is determined by weekly activity and completion of weekly course requirements. Any four week occurrence of inactivity will automatically result in a course grade of "F." This will count as an unauthorized drop below a full course of study in the SEVIS/USCIS system, which may be grounds for termination.

* Students are responsible for notifying the International Student Office of any change in their personal information no later than 10 days after the change is implemented. (Example: address, telephone, etc.) The student must also submit US Government form AR-11 to report the change.

* A student may be recommended for off campus employment after the student has completed one year in his program of study and proves a financial need. Students in F-1 status with a work permit may work twenty hours per week while classes are in session and forty hours per week during vacation periods. Immigration laws prohibit dependents from securing employment.

Note: If you are currently a student at another institution and already have an F-1 visa, you need a new I-20 issued by Luther Rice Seminary/University. Therefore, you must submit the I-20 application packet, transfer clearance form, a copy of current visa, I-20, passport, and I-94, along with all other admissions requirements.

Caution: Prospective students are cautioned not to come to the United States on a Visitor's Visa and then attempt to get this changed to a Student Visa once they arrive in this country. The U.S. Immigration Service considers this as coming to the U.S. on false pretenses and may not approve such a request. The only exception is if individuals indicate to the U.S. Consulate in their country in writing that the purpose of a visit to the U.S. is to select a college.

The following terms and conditions are to be understood and adhered to by the Doctor of Ministry F-1 Visa student:

- * All International students are required by law to maintain a full-time student status.
- * Doctor of Ministry F-1 Visa students may engage in research without simultaneously registering for 1 course.
- * A full time schedule for an F-1 Visa Doctor of Ministry student can include the following scenarios:
 - * 3 credit hours of course work
 - * 12 clock hours per week engaged in research with no course registration except Major Ministry Project. This research must be reported in writing and verified by University staff.
 - * A combination of course work and 12 clock hours per week engaged in research
- * Doctor of Ministry students must complete 12 clock hours per week engaged in research when not registered for any course work.
- * Doctor of Ministry students must complete 12 clock hours per week engaged in research when registered for less than 3 credit hours of course work per semester.
- * **Doctor of Ministry F-1 Visa students will not be granted extensions to complete research in the United States. The 5 year maximum program completion allotment will be strongly enforced by the Graduate Dean and Graduate Committee members.**
- * All Doctor of Ministry F-1 Visa students must submit a weekly or monthly, as determined by student and Advisor, detailed research report while completing Major Ministry Project research regardless of the student course load.
- * All Luther Rice Seminary/University financial policies and procedures apply to Doctor of Ministry F-1 Visa students while registered in course work and/or research.
- * Doctor of Ministry F-1 Visa students who fail to submit satisfactory, timely, and detailed research reports will be in violation of I-20 maintenance and may be reported in SEVIS.

Non-degree Students

A non-degree student is one desiring to take only a limited number of courses for credit, without enrolling in an official degree program. Students wanting to use LRU course credits to transfer to another institution would fall into this category. A non-degree student is coded as a *Special Student* in the LRU computer database.

The process for acceptance as a non-degree student is as follows:

1. Submit a completed Special Student Application, along with the application fee, to the Admissions Office.
2. Submit an official letter from your current institution's Registrar stating that you are a student in good standing and what program of study you are enrolled, or a copy of the transcript of the highest degree earned. If the student is not currently enrolled in another institution, the most recent post-secondary transcript must be submitted.
3. Submit a statement describing your conversion experience, including what a person must do to receive eternal life and when you personally took that step.
4. When all the required documents are received by LRU, the application file will be reviewed. You will be notified by mail of your admissions status.

A non-degree student is subject to all current institutional policies, including but not limited to financial, academic, and behavioral requirements.

AUDITS

An auditor is one desiring to take a limited number of on-campus courses for which credit is not received. Online coursework may not be audited. Auditors pay only a \$100.00 attendance fee per course. Audited courses cannot be converted to courses for academic credits, no exceptions.

APPEALING ADMISSION DENIALS

When applicants do not meet the regular admission requirements for entrance into an academic program, they will be notified of nonacceptance by the Admissions Office. Such decisions may be appealed by the students who believe that extenuating circumstances are responsible for their failure to meet the requirements for admission. Appeals are to be submitted in writing to the Vice President for Academic Affairs, who will refer the matter to the appropriate faculty committee (i.e., the undergraduate or graduate committee). The committee's decision will be relayed to the appellant by the faculty secretary, and that decision will be final.

Students who enter an academic program through the appeals process, without meeting the regular admissions requirements, may, at the discretion of the appeals committee, be admitted on condition of satisfactory performance in the first year of study. Such students will be notified of the probation or other conditions that apply when the faculty secretary informs them of their acceptance. Failure to fulfill such conditions may result in prolonged probation or dismissal.

READMISSION POLICIES

The following students are dropped from active status and are required to complete a reactivation application for readmission:

Bachelor- and Master-level Students

1. Any student who does not complete at least one course in a 12 month time period.
2. Any student who does not complete his program within the specified length of time (see "Program Time Limitations").
3. Any student who voluntarily withdraws.
4. Any student suspended for academic or disciplinary reasons.
5. Students who graduate.

Any previous balance owed to LRU must be paid at the time of reactivation.

A student who submits an application for reactivation will reenter his program at the tuition rate and with degree requirements in effect at the time of his reactivation.

If a student had been sponsored, any documentation from a former sponsor is considered void. It is the student's responsibility to request that the sponsor furnish new documentation.

Completed academic work that is older than the maximum program time limitations (see "Program Time Limitations") will not be counted toward degree requirements at reactivation.

Doctoral students

1. Any student who does not complete his program within the specified length of time (see "Program Time Limitations").
2. Any student who misses 3 tuition payments.
3. Any student who voluntarily withdraws.
4. Any student suspended for academic or disciplinary reasons.

In order for any earlier work and/or payments to be credited at the time of reactivation,

1. Students must reactivate with a minimum of 2 years remaining in their program of study, based upon the original date of acceptance into the program, excluding the period of inactivity. Students then have the balance of the 5 years from the original date of acceptance to complete the degree.
2. Any previous balance owed to LRU must be paid upon reactivation.
3. The reactivating student will reenter at the then current tuition rates and degree requirements.

If all the requirements listed above cannot be met at the time of reactivation, the student must apply to enter the doctoral program as a new student. No earlier academic work or financial payments will be credited toward the degree.

ABILITY TO BENEFIT

Those who do not possess a high-school diploma or its equivalent, have not passed the General Education Development (GED) tests, and are beyond the age of compulsory education, may still be able to enroll in undergraduate studies. In order to be accepted as a student under these conditions, the student must demonstrate an ability to benefit from the educational programs offered at LRU.

To determine an ability to benefit, students must take the US Department of Education approved test and achieve passing scores as determined by the DOE. The official test scores must be provided to the Admissions Office, as well as all other admissions documents, before the Applicant file will be reviewed for final approval.

The Ability to Benefit test that Luther Rice Seminary/University utilizes is the ASSET. The required Basic Skills Tests include Reading, Writing and Numerical-forms B2, C2, D2 and E2. Currently, the federally approved passing scores on the test are as follows: Reading (35), Writing (35), and Numerical (33). The test must be administered at an official ACT testing site by qualified personnel.

For information on the test and the nearest testing center, contact American College Testing (ACT) at www.act.org or call 319-337-1000.

CHANGE OF DEGREE

Graduate students changing degree programs are required to complete a minimum of 12 semester hours in their new program before being eligible for graduation from that program. To change a degree program, please submit a reactivation application with appropriate fee.

TRANSFER OF CREDIT

For Bachelor, MA, and M.Div. programs, a student transferring from an approved academic institution may transfer any applicable work for which he received at least a C or higher. An approved academic institution is one which is accredited by an accrediting agency recognized by the Council for Higher Education Accreditation (CHEA) or the US Department of Education, or which LRU recognizes as a legitimate degree-granting institution. LRU recognizes non-accredited institutions based upon an evaluation of their academic catalog, faculty credentials, course offerings, and degree requirements. All courses transferred must have been completed in a timely manner.

For the D.Min. program, transfer of credit for work that received a "B" or better will be allowed, in addition to the above requirements.

In addition to the requirement of a minimum grade on transfer work, each course to be transferred must apply to the student's program of study as indicated on the student's program status sheet.

Credits or degrees from non-accredited academic institutions will be evaluated on an individual basis.

The last 30 hours of any degree must be taken through LRU in order to meet graduation requirements (D.Min. 24 hours).

The following reflects the maximum number of transfer credits possible in each degree program:

BA	90 hours
All MAs	6 hours
M.Div.	60 hours
D.Min.	6 hours

Students desiring to transfer courses to another academic institution should contact the Admissions Office of that institution with regard to its policies on accepting transfer credit. Institutions vary widely on their accreditation requirements and the modes of study that they accept. LRU students should use the information on accreditation (see p. 13 item #1) when contacting other institutions.

Students who need an official transcript sent should contact the Registrar's Office with a written request or by email to Registrar@LRU.edu, and pay the \$5.00 fee. The Request for Transcript forms provide all the information necessary for this. Students who have questions regarding the transfer of credit to LRU should contact the Admissions Office.

ADVANCED STANDING

In addition to receiving credit through transfer, Master-level applicants may also receive credit for advanced standing. If an individual applies for one of the Master of Arts degrees or Master of Divinity degree program, the applicant may qualify for credit through advanced standing based upon his or her undergraduate transcript(s) **and a score of at least 100 on the Bible content entrance test.**

Only those courses taken as part of the applicant's undergraduate program which are equivalent to the corresponding listings in the current LRU catalog will be accepted as advanced standing credits. Further, the applicant must have received a "B" or better in each applicable course. These hours must have been earned at a college or university accredited by an accrediting agency recognized by the Council for Higher Education Accreditation (CHEA) or the US Department of Education, or approved by LRU.

In the MA degree programs, the maximum number of hours possible through advanced standing is 6; the maximum allowable in the M.Div. program is 21. Advanced standing applies only to the MA and M.Div. degree programs.

PAYMENT AND PARTIAL PAYMENT PLANS

All balances are due at the time of registration for classes. Registration is not complete until payment is received. Payments received after the start of late registration are considered late and subject to the late registration fee. Courses added during the late registration period are subject to late fees.

All tuition and fees are due and payable at the time the student registers. Payments may be made by cash, check, or by MasterCard, Visa, Discover card, or American Express. Students should not send cash through the mail.

If an account remains unpaid, LRU reserves the right to inform credit bureaus of past due account and to authorize collection agencies to collect on those accounts. Luther Rice Seminary/University has contracted with a third party vendor as their acting collection agencies for selected past due balances. The student will be responsible for any additional cost incurred during the collection process.

Students desiring to make partial tuition payments may authorize up to four monthly partial payments. Luther Rice Seminary/University has contracted *NellNet Education Planning* to offer multiple payment plans. All payments and terms will be agreed upon by the student at the time the student selects a payment option. The following options will be available for payment plans. **NOTE: Payment plans apply to full term classes only. A student may not select a payment for mini-term classes.**

- Monthly ACH deductions from 2-4 months. This option will require a fee of \$25 to be paid at registration along with the first month's payment.
- Monthly Credit Card payments from 2-4 four months. This option will require a fee of \$25 to be paid at registration along with the first month's payment.

The following is an example based on a student registering for one class and selecting a partial payment plan as their method of payment.

Note: Potential Financial Aid students who do not complete the financial aid process but are let into class under a specified payment plan are responsible for payment for classes until financial aid funds arrive at the school. If a student selects a partial payment plan, payment will be issued to the 3rd party vendor directly. The student will not issue payment to Luther Rice Seminary/University.

A charge of \$25.00 will be assessed for all returned checks and refused MasterCard, VISA, Discover or American Express card payments.

Any student who does not pay their bill per the arrangements agreed upon with the partial payment will be withdrawn from all registered classes and will not be allowed to register the following semester until the balance is paid. Unused tuition will be refunded to the students LRU student account minus a \$10.00 drop fee.

Tuition (All modes of courses)

The tuition is due at the time of registration. The online preregistration confirmation may be used for billing purposes. All payments will be processed by the Business Office prior to approval for classes. The student name and identification number should accompany all payments.

Doctoral Program

1. Upon notification of final acceptance, the student may register for courses at the current tuition and fee rate.
2. Reactivation requires academic and financial approval and is subject to the current catalog requirements.

SPONSORSHIPS: CHURCH, CORPORATE, OR INDIVIDUAL

A student's church, corporation, friends, or relatives may desire to contribute towards the student's education. Payments will be applied to the student's account and may be used for tuition, fees, etc.

A student receiving a sponsorship from a church or corporation may enroll in classes before the sponsor's payment is received as long as LRU has on file a completed "Sponsorship Authorization" form. This form can be obtained at www.LRU.edu or from the Student Accounts Office and must be signed an officer of the sponsoring organization who is not receiving any part of the sponsorship.

For sponsorships from individuals, the funds must be collected in full prior to acceptance into classes. **Such designated funds are not tax deductible.**

Any payment made toward the student's account should be accompanied with a note indicating the student's name and ID to ensure that it is applied to the correct student. Sponsorship funds placed onto the student's account become the property of the student, and any refund desired by the sponsor must be arranged solely between the student and sponsor.

Sponsorship monies will be held available for use for one year from date of last activity. Beyond the specified time, any unused and unrefunded monies will be applied to the LRU general fund.

NOTE! The student is responsible for any balance due should the sponsor fail to pay. If the balance is not made current, the student may be suspended from classes and not allowed to enroll in any further courses. Also, LRU may authorize collection agencies to collect on any unpaid account.

FINANCIAL APPEALS

Any student desiring to appeal non-academic decisions may, within 30 days of the decision, do the following:

1. Request in writing a hearing with the immediate supervisor of the individual or individuals involved along with all parties present.
2. If action is not satisfactory, request in writing a hearing with the President and those individuals present in the first meeting.
3. The decision of the President is final.

POLICY CONCERNING DONATIONS

Monies given to the Institution by institutions, foundations, churches, or individuals will be used for the purposes for which they were designated.

FINANCIAL ASSISTANCE

Students applying for financial aid are ultimately responsible for their student account regardless of the outcome of their financial aid.

Federal Financial Aid Programs

Students attending LRU have access to federal student financial aid programs. As directed by the U.S. Department of Education (www.fafsa.ed.gov), federal funds are allotted to the lowest income families first, but funds are also available for middle and upper-income families.

Financial aid is available for bachelor and master-level students enrolled at least half time (6 hours) in courses that apply to their current degree program. Pell Grant recipients can take as few as one course, but this is not recommended because of time limitations for the degree program.

Financial aid is available for doctoral students enrolled in at least one course (3 hours) that applies to their current degree program.

Students are encouraged to complete their financial aid application (Free Application for Federal Student Aid and Virtual Financial Aid Office interview) as soon as possible. Please note applicants must have financial aid information complete 30 days before the start of a term. Students who do not have their financial aid complete at the time of registration will assume personal responsibility for payment, no exceptions.

Financial Aid Application Process

To apply for financial aid, applicants must go to the LRU website (www.LRU.edu) and click on "Financial Aid." Students must then follow the 2-step application process listed on that page. This process entails:

- 1) Completing the 2009-2010 Free Application for Federal Student Aid (FAFSA).
- 2) Completing the 2009-2010 Virtual Financial Aid Office (VFAO) interview.

The VFAO provides information to the students of where they are in the financial aid process. Students will be contacted via the email that was provided in the VFAO application. The email will ask for needed information from the students and will provide a fax number to which the information needs to be sent. The overall process time minimally takes 2 weeks but could take longer depending on the student's promptness.

Grants

Pell Grant - Eligibility depends upon family income and ability to pay. The FAFSA is used to determine the student's eligibility and amount of grant available. The amount awarded depends upon the number of courses taken with the maximum award being \$2,675 per semester. Bachelor students may receive a federal Pell Grant each semester of attendance.

Federal Supplemental Education Opportunity Grant (FSEOG) - This grant is awarded to the neediest students, which are students with a 0 Estimated Family Contribution (EFC). The maximum grant award may vary depending upon the availability of funds and the minimum award to a student is \$100 per year. Bachelor students may receive the FSEOG in the fall and spring semesters.

Academic Competitiveness Grant (ACG) - This grant is awarded to first and/or second year bachelor students who meet the various eligibility requirements listed below:

- 1) Pell Grant eligible during the same award year.
- 2) Enrolled at least half-time
- 3) Have completed a rigorous secondary school program of study see <http://www.ed.gov/admins/finaid/about/ac-smart/state-programs.html> for a list of rigorous secondary school programs by state
 - a. First-year bachelor students must have completed secondary school after January 1, 2006 and not been previously enrolled in an ACG-eligible program while at or below age of compulsory school attendance.
 - b. Second-year bachelor students must have completed secondary school after January 1, 2005 and must have a 3.0 cumulative GPA at the end of their first undergraduate year.

If a student qualifies for a grant that does not completely pay for his semester costs, the student is responsible for paying the difference before the first official day of the term. A student can apply for a student loan if additional funds are needed.

Loans

Federal Stafford Loans - The following loans allow for repayment after graduation. These loans include:

- * Subsidized Stafford Loans - Interest on these loans will be paid by the government while the student is in school.

Dependent

Freshman - \$3,500
Sophomore - \$4,500
Junior - \$5,500
Senior - \$5,500

Independent (students not claimed as dependents by parents)

Undergraduate:

Freshman - \$3,500
Sophomore - \$4,500
Junior - \$5,500
Senior - \$5,500

Graduate:

Master Level - \$8,500
Doctoral Level - \$8,500

- * Unsubsidized Stafford Loans - Interest on these loans will be paid by the student. The student can pay the interest while in school or allow the interest to roll into the loan, which the student will pay once the payment period begins.

Dependent

Freshman - \$2,000
Sophomore - \$2,000
Junior - \$2,000
Senior - \$2,000

Independent (students not claimed as dependents by parents)

Undergraduate:

Sophomore - \$6,000
Junior - \$7,000
Senior - \$7,000

Graduate:

Master Level - \$12,000
Doctoral Level - \$12,000

- * Parent Loans for Undergraduate Students (PLUS) - The parent of a dependent student may apply for this loan in any amount, not to exceed the student's grade level loan eligibility. The student's parents pay the loan interest.

The funds will be transmitted to the institution's account and then forwarded to the loan recipient's account.

Annual Limits

Undergraduate

Freshman - \$9,500
Sophomore - \$10,500
Junior - \$12,500
Senior - \$12,500

Graduate

\$20,500 Full-time or the cost of attendance, whichever is the least.

VERIFICATION PROCEDURES FOR FEDERAL FINANCIAL AID

LRU has developed the following policies and procedures regarding the verification of information provided by applicants for Federal aid under the Title IV Programs.

1. Only those students who are selected for verification by the U. S. Department of Education or who have conflicting information in their records will be required

- to submit supporting documentation. A student's file must be resolved before any financial aid may be disbursed, regardless of the student's verification status.
2. No Federal Pell Grant or Federal Loan will be disbursed prior to the completion of verification.
 3. All students selected for verification will be notified in a timely manner and told what supporting documentation is required. At that time the student will be informed of the time parameters and the consequences of not completing the verification cycle. The student will receive notice of the result of the verification process and any other documentation needed. The institution will assist the student in correcting any information that is inaccurate and will notify any student whose award changes. The institution will use as its reference the most recent Verification Guide supplied by the U. S. Department of Education.
 4. If the student receives an overpayment due to inaccurate or conflicting information on any application and refuses to correct the information or repay the Federal funds, the institution will refer the case to the U. S. Department of Education for resolution. Unless required by the U. S. Department of Education, no Federal financial aid will be disbursed to the student.

VETERANS' BENEFITS

LRU is approved by the State Approving Agency for veterans and their dependents. Veterans' benefits are available for all degree programs. Questions should be addressed to the VA or to the Veteran Benefits Representative at Luther Rice. www.GIbill.va.gov.

Full Refund if Called to Active Duty

Luther Rice Seminary/University will refund 100% of ALL tuition and fees for military personnel who receive orders calling them into active duty and must discontinue studies during the academic semester. Please contact the Student Accounts Office and submit a copy of your official notification.

Military Tuition Reimbursement

All military branches have their own methods of tuition reimbursement. Contact the business office for assistance.

Scholarships

Because of its low tuition rate, LRU believes that all students are enjoying financial assistance to some extent. In addition, faithful stewards underwrite the expense of ministerial training by providing scholarship aid, which is applied toward tuition assistance.

LRU believes that it must exercise good stewardship and wise administration to ensure proper disposition of tuition assistance funds in order to provide maximum benefits to deserving students. Students desiring financial assistance, therefore, must submit a Financial Aid Form to the Financial Aid Office. These forms may be obtained **after** students receive acceptance into an LRU degree program. Requests should be addressed to the Office of Financial Aid. Each student approved by LRU for financial assistance will be required to reapply annually. LRU reserves the right to reject or review this assistance at any time.

Some of the scholarships that have been established are as follows:

Missionary Scholarship Fund
Charles Drake Scholarship Fund
Dr. M.D. Hart Scholarship Fund
Dick and Mary Boykin Scholarship Fund
Dr. Maurice and Virginia Timberlake Scholarship Fund

All of these scholarships support the LRU tuition assistance program. Students must apply for tuition assistance, not for a particular scholarship.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

For all students receiving Pell Grant, Stafford Loans, College Work Study, Supplemental Educational Opportunity Grant, and PLUS Loans.

In accordance with the federal regulations under Title IV of the Higher Education Amendments, a student must maintain satisfactory academic progress (SAP) in order to receive financial aid. SAP is measured both qualitatively and quantitatively.

The qualitative aspect entails a student's cumulative grade point average (GPA). The student must have at least a cumulative 2.0 GPA (C average) at the end of each term to be eligible to receive a future financial aid disbursement.

The quantitative aspect addresses the number of completed classes. The student must complete and receive a grade of D or higher in at least 2/3 (66%) of his classes. For example, if a student enrolls in 3 classes in the fall semester and 3 classes in the following spring semester, he must complete and receive a D or higher in at least 4 of those classes (2/3 of 6 total classes = 4 classes). The grades of F, R (Repeat), I (Incomplete), MI (Medical Incomplete), WP (Withdrew Passing), WF (Withdrew Failing), and W (Withdrew) count as non-completion grades and negatively affect the student's SAP. The grades of WD (Withdrawal Drop) and WC (Withdrawal due to Cancel course) do not factor into the completion rate and do not negatively affect the student's SAP.

When a student fails to complete the required 66% of their classes in an academic year, the student will be denied financial aid because they are not maintaining Satisfactory Academic Progress. In order to regain eligibility, a student must take and complete enough classes to obtain a 66% completion rate when these classes are combined with the two prior semesters that caused the failure to maintain SAP. During this period of regaining financial aid eligibility, the student is responsible for paying out of pocket for their classes. **(For Example:** If a student takes 3 classes in the fall semester and completes 1 of the 3, and in the spring semester takes 3 classes and completes 2 of the 3, the student has a completion rate for the 2 semesters of 50%. With this being less than the required 66%, the student will be denied financial aid. To regain financial aid eligibility, the student must enroll in, and complete, 3 classes, which when combined with the 3 completed classes in the above-mentioned fall and spring semesters, results in a 66% completion rate.

The LRU Financial Aid Office will review the qualitative aspect of a student's satisfactory academic progress at the end of each term and the quantitative aspect at the end of the spring semester of each academic year. If a student fails to make satisfactory academic progress and is consequently denied financial aid, he may submit an appeal (in writing) to the LRU Director of Financial Aid. The appeal should thoroughly explain why the student failed to make academic progress. The decision of the Director is final.

Payment

The first monies to be received--whether grant or loans--will be used to pay the student's obligations to the Institution. There are no exceptions to this rule.

Refunds

Students with a surplus/credit on their account must enter a refund request via the LRU website by selecting "My Account" after student login. Refund requests are processed weekly and disbursed by one of three methods.

<u>Method</u>	<u>Delivery Time</u>
* Paper Check	Arrives within 7-10 business days of processing
* ACH Direct Deposit	Arrives within 24 hours of processing (allow for a 4 day pre-note period prior to processing)
* Debit Card	First disbursement: 5-7 business days Second disbursement: Same day as processing

The student is responsible for selecting which method they would prefer for there refund to be processed through. This selection can be made at the following link: www.salliemabank.com/lru. The student will need their LRU username and password to sign in.

Financial Aid refunds that are not requested by the student within 14 days of the monies being placed on the student's account will automatically be disbursed to the student. The student must request a full refund of financial aid money within 14 days of notification or monies will be sent to the student automatically after 14 days.

NOTE:

When financial aid recipients receive their student loan checks or their Pell Grant funds and drop all their classes prior to the 60% completion of the semester, this negatively affects the student's financial obligations as well as Luther Rice's. When a student drops classes before 60% completion, the student must pay the unused percentage of their loan/grant back to the financial institution. Luther Rice Seminary/University is also penalized for the unused percentage and must pay a portion back to either the U.S. Department of Education or the appropriate organization or both. The fees paid by Luther Rice in turn will be placed on the student account, no exceptions.

ENTRANCE/EXIT COUNSELING

Every student loan applicant must fill out a student loan counseling form. The application process will be through the institution's website www.lru.edu. The purpose for the application is to educate the applicant on their responsibilities and rights as a loan recipient. If a loan recipient drops below half-time, either quarter-time or completely, the recipient must fill out an exit counseling form, even if the loan recipient is returning the next semester. The exit counseling form is a reminder to the loan applicant of their financial obligations. After dropping below half-time the students' six-month grace period begins. There are exceptions to this rule. Dropping

below half-time at any point in the student's loan history, at Luther Rice or any other institution, will deduct from the total of 6 months. Therefore, when the cumulative grace period has been exhausted, the loan goes into repayment immediately.

REFUND POLICY

Students who withdraw or are withdrawn from class may be entitled to partial/full tuition refund. After the University has received a student's official drop online, any refund minus a drop fee will be returned to the student's LRU account within 30 days of the date of the drop. A student can request a refund from his/her account online at www.LRU.wedu. (Login and go to "My Account"). Refunds will be dispersed in full.

Classes registered for online must be dropped online. Classes registered for in writing must be dropped in writing. If a class is cancelled by LRU, all tuition and technology fees will be reimbursed and no drop fees will be assessed.

REACTIVATION FEES

A reactivation fee will be charged to a student reactivating into a particular degree program. A reactivating student is one who has become inactive and is applying to re-enter LRU on the same academic level as his earlier application.

A student applying for a higher degree program (after graduating from any degree program) will be assessed the reactivation fee. Reactivating students and students changing degree programs enter the new program at the current tuition rate. Students will be responsible for any past due balance upon acceptance of reactivation. The students tuition rate will be determined by the semester in which he/she reactivates.

AUDITS

An auditor is one desiring to take a limited number of on-campus courses for which credit is not received. Auditors pay only a \$100.00 attendance fee per course. Audit fees are nonrefundable. ACADEMIC INFORMATION

GENERAL

On-campus, online (web-based), and hybrid (on-campus/online) classes are offered throughout the year in fall, spring, and summer terms.

PLACEMENT TESTS

1. Luther Rice Seminary/University requires all students who do not transfer an introductory English class and a college-level class in mathematics to take English and Mathematics placement tests.

2. Any student failing a placement test must take the 099 course in that discipline. These courses are non-credit courses designed to bring the student up to minimum academic standards. The student will be charged a \$150 fee for each 099 course.

BEGINNING WORK AT LUTHER RICE

The following procedures show the general steps a student takes to begin work at LRU.

1. After acceptance, the student will receive a letter of acceptance and a Status Sheet with all transfer hours noted on it. The student should register for only those courses which will satisfy the requirements of that Status Sheet (one may register for other courses, but they will not count toward fulfillment of the degree requirements without special permission from the administration).
2. The student should keep in touch with an academic advisor, especially if any problems develop (1-770-484-1204).
3. For questions concerning finances, the student should contact the Business Office (1-800-442-1577).
4. For questions concerning course materials, the student should contact the Book Service (1-800-442-1577) or MBS Direct (1-800-325-3252 and online at www.MBSDirect.net).
5. For questions concerning acceptance, the student should contact the Office of Admissions by email at Admissions@LRU.edu or by phone (1-800-442-1577).
6. For questions concerning academic status, the student should contact the Registrar's Office (1-770-484-1204) or by email at Registrar@LRU.edu.

ADVISORS

All Bachelor and Master students may contact advisors in the Academic Advising Office (AAO) for assistance. Doctoral students are assigned a specific faculty member as an advisor. The advisors are available to guide and counsel students throughout their academic program. It is the student's responsibility to fulfill the requirements of the degree program and to maintain a current Status Sheet.

The AAO can assist students in these areas: choosing the appropriate classes in any mode to meet their academic goals, counseling students in case of academic problems, advising students regarding the transfer of credits into or out of LRU and the use of CLEP credits. AAO is available by phone at 770-484-1204 or 800-442-1577 during normal business hours. The student may also email the AAO at AAO@LRU.edu.

STATUS SHEETS

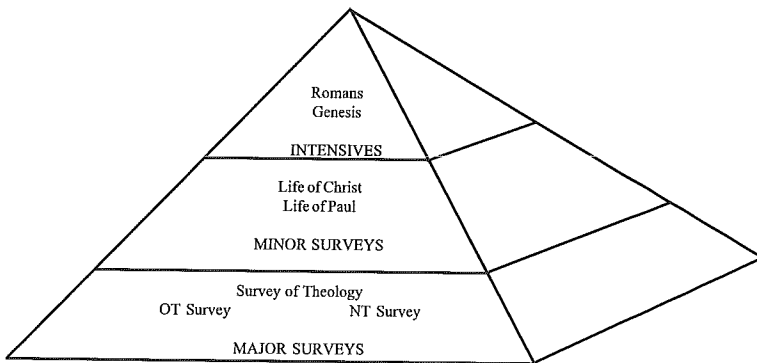

The individual degree program "Status Sheet" is an important tool. Understanding its usefulness is basic in planning and fulfilling an ordered process of studies. **Students are required to maintain an up-to-date status sheet throughout their degree program.** A Status Sheet specifically expresses the requirements for graduation for each degree program. There is a replacement fee for a lost status sheet, so please retain the status sheet throughout the entire course of study.

After acceptance, the student receives the appropriate Status Sheet. It reflects the total hours required for the degree as well as the credits needed in each appropriate subject area, including the required courses.

If transfer credits have been accepted, they are recorded in given subject areas with the number of hours for each course. Some adjustments, such as quarter hours being assigned their equivalent in semester hours, may be made.

It is the student's responsibility to fulfill the requirements of the Status Sheet; the advisor only provides guidance. The course work selected (other than the required courses) must fulfill the academic requirements and should be in accordance with the student's own needs. Options may be available as to where a particular course could be placed on the Status Sheet. In such a case, the student should contact an academic advisor and discuss the options. This will also ensure that the student and the advisor have identical course placements. **A copy of the completed Status Sheet must accompany an Application for Graduation. The Application for Graduation is considered incomplete without an accompanying completed Academic Status Sheet. In that case a Replacement Status Sheet fee will be added to the graduation fee.**

RECOMMENDED COURSE SEQUENCING

When planning the sequence of courses to complete a degree, the LRU faculty recommends that the student begin by establishing the broad-based courses of study (shown on the diagram as "Major Surveys"). These will fit easily within each required area of any program and will provide a solid foundation for later work.

Following the Major Surveys, the student should then select various courses which build upon those broad studies in more specific areas (the "Minor Surveys" on the chart). These will then sharpen the focus of what has been learned from the Major Surveys.

After completing a Major Survey (e.g., OT Survey) and a Minor Survey (e.g., Major Prophets), the student would be well prepared to take an "Intensive" course (e.g., Isaiah).

One should note that this is only a suggested plan of approach from the faculty. The student is not required to follow this plan in strict detail. Any specific questions should be addressed to the student's advisor.

MODES OF CREDIT

Students may earn credit toward a degree through any combination of the following modes:

On-Campus Courses (-I)

On-campus semester courses normally meet in 3-hour sessions. Each course meets once weekly for 15 weeks in the fall, spring, or summer term. Other formats, such as semi-monthly and weekend classes are also provided to meet the needs of students unable to meet each week.

Online Courses (-W)

Online studies are offered simultaneous to on-campus studies lasting 15 weeks each term. Throughout the term, students interact with faculty and with other students via email and Web bulletin boards. The online coursework is accomplished via the Internet through Blackboard. The courses are asynchronous, meaning students do not have to be online at the same time as their professor or their classmates. Attendance is verified by week online activity.

Extended Modular (Hybrid) Courses (-C)

Extended Modular studies provide students an opportunity to complete courses through a combination of classroom and online work. The typical extended modular consists of one week in the classroom along with pre-classroom and post-classroom academic work submitted online during the regular 15 week semester. Modules coincide with the on-campus schedule.

Independent Studies (-Y)

Luther Rice Seminary/University recognizes the importance of providing students with opportunities for working independently and accepting responsibility for their own learning. Such experiences help students develop the knowledge, skills, and attitudes necessary for lifelong learning. It also provides an avenue for them to demonstrate "the skills of doing independent research that reflects critical thinking and spiritual perception," an important objective of LRU.

Independent Studies may be defined as study (being pursued for course credit) which is under the direct supervision of an appropriate faculty member but is not done in conjunction with a regularly scheduled class. The following guidelines apply:

- A. From 1-3 hours of credit may be granted per approved Independent Study.
- B. Cumulative credit through Independent Study is limited to 12 hours for the BA program, 6 hours for the MA programs, 15 hours for the M.Div. program, and 6 hours (electives only) for the D.Min. program.
- C. Independent Study must be requested in advance, using the proper request form provided by the Registrar's Office.
- D. Independent Study should correspond to (be compatible with) existing institution curriculum, i.e., numbers and titles should normally correspond to particular courses (instead of general listings such as "Topical Studies").
- E. Independent Study must include appropriate objectives and means of assessment in order to ensure equivalency with work done in other modes.
- F. Independent Study includes mutually agreed upon meetings (in person, online, or via phone) between the student and the supervising faculty member. While the directing faculty member must offer enough guidance to set the student on a fruitful path of study, both the student and the faculty director must remember that the student is involved in independent course work.
- G. Independent Study requests must be approved in advance by the student's advisor, the directing faculty person, and the appropriate Dean.
- H. Independent Study requests will generally be approved only if the course is required for graduation and is not going to be offered on a regular schedule prior to graduation.
- I. Independent Study requests must be made prior to the beginning of a regular semester and the student must register for the class (once approved) during normal registration periods.

ONLINE TECHNOLOGY REQUIREMENTS

Students taking online classes must have access to the following technology:

Hardware

- 1.2 GHz or greater Intel Pentium, Celeron, or Centrino, or AMD Athlon processors
- 256 MB Ram or more
- 10 GB Hard Drive or larger

Software

- Windows XP SP2 or higher
- Microsoft Office 2000 or later (Word, Excel, and Powerpoint are the required applications)
- Microsoft Internet Explorer 6.0 or higher
- Adobe Acrobat Reader
- Java Run Time Environment
- Windows Media Player

Internet Connection

- High Speed Internet 128 kbps or higher via DSL, cable modem, or broadband
- Email Address (now provided by Luther Rice for current students)

COLLEGE LEVEL EXAMINATION PROGRAM

LRU accepts CLEP (College Level Examination Program) scores that meet the American Council on Education recommendations for undergraduate credit. The tests require a fee and can be taken at various locations (see www.collegeboard.com/clep). The scores must be sent directly to LRU to be accepted and must be comparable to the LRU degree requirements. For more information on what CLEP tests could be accepted at LRU, contact the Academic Advising Office. All CLEP tests must be taken at least one year prior to the student's anticipated graduation date.

COURSE TIME LIMITATIONS

1. On-Campus and Online Courses

The student is to complete all assigned work within the semester.

When a student receives an Incomplete for a semester grade, the "I" will become an "F" after 30 days unless a change of grade has been submitted by the professor.

A student receiving a Medical Incomplete ("MI") may be allowed more than 30 days to complete the course requirements. Documentation from the treating physician will be considered in the determination of time limits.

2. Extended Modulars and Independent Studies

- a. Postcourse assignments for modules are due at the close of the semester.
- b. Work done for independent study is due as agreed upon by the student and the directing faculty member; however, under normal circumstances, independent study work must be completed within 15 weeks.
- c. For each of these modes, an extension of no more than 3 months may be given upon written request by the student. The request must include the reasons an extension has become necessary. Extensions will be granted only because of unavoidable circumstances. An extension fee will be charged if the request is granted. No more than one extension per course is allowed.

PROGRAM TIME LIMITATIONS

The minimum and maximum time limitations for the following degrees are effective upon acceptance by LRU into the particular degree program.

College Division

BA degree	2-10 years
-----------	------------

Graduate Division

MA degrees (36 hours)	1-3 years
M.Div. degree (90 hours)	2-7 years
D.Min. (30 hours)	3-5 years

Any student exceeding these program time limitations must reactivate and will be required to complete the degree program under the published guidelines set forth in the catalog in effect when he reactivates into the program. For more information, see "Readmission Policies." All D.Min. students will be under the current policies on the date of reactivation.

CLASS ATTENDANCE

1. The student attending modules must attend all class meetings.
2. The student attending on-campus and/or online classes is required to attend at least 80% of the class meetings for each course in which he is enrolled. For semester-long on-campus or online courses, this means that a maximum of three class periods may be missed. Any student who misses more than 20% of the meetings will receive a "W," "WP," or "WF." Exceptions may be made only in cases of extreme circumstances and only with the approval of the Academic Dean. To confirm that one is active in an online class, **a person must login to the course website at least once every week (prior to midnight each Sunday).**
 - a. Absences should be taken only for important and necessary reasons.
 - b. The student is held responsible for absences due to late registration. Consequently, a student is not permitted to enroll for a course after the second full week of classes.
 - c. A professor will report to the Registrar any student who:
 - (1) Habitually comes in tardy or leaves early;
 - (2) Misses the whole class session three weeks in succession;
 - (3) Misses 20% or more of the classes for a particular course.
 - d. Each professor will employ the following rules for determining absences:
 - (1) Only tardiness of less than 15 minutes may be counted as a tardy;
 - (2) Three tardies count as one absence;
 - (3) Tardiness of more than 15 minutes counts as one hour of absence.
 - e. Excessive absences could affect the I-20 status of an international student. Such absences also result in one being required to repay any financial aid received as well as any additional charges incurred by LRU.

OFFICIAL CLASS ATTENDANCE

Students must be on the official class roll to be counted as present in a class. If a student is not officially registered for a course, he cannot be counted as present in a class. To be registered for a course, the student must be cleared through the student accounts office. Pre-registration on the website is not official until payment for the course is made or a third party paying the fee is approved. If a registration is approved after the actual start of the course, the class sessions the student attended prior to registration finalization will be deemed absences. These absences will be counted in the semester total and will be subject to the current institutional attendance policies.

GRADING SCALE

<u>Undergraduate</u>		<u>Graduate</u>	
91-100	A	95-100	A
81-90	B	88-94	B
71-80	C	78-87	C
60-70	D	70-77	D
Below 60	F	Below 70	F

GRADES, GRADE POINTS, & GRADE POINT AVERAGE

1. In order for a student to receive credit for a course, the student's name must appear on the official class roster provided by the Registrar's Office. Instructors verify their class rosters during the first week of a semester. A student who remains on an official class roster must be given a grade even if he or she never attended. A student cannot receive a grade even if the work was completed successfully if he or she is not properly registered.
2. All work is graded by letters which are interpreted as follows (including grade points for each semester hour):

<u>GRADE</u>	<u>MEANING</u>	<u>GRADE POINT PER SEMESTER HOUR</u>
A	Excellent	4
B	Good	3
C	Average	2
D	Poor	1
F	Failure	0
R	Repeat	-
S	Satisfactory	-
* U	Unsatisfactory	-
N	Audit	-
I	Incomplete	-
MI	Medical Incomplete	-
WD	Withdrawal Drop	-
WP	Withdrew Passing	-
WF	Withdrew Failing	0
W	Withdrew	-
WC	Withdrawal due to Cancel course	-

R--This indicates the course was repeated.

* *U*--This indicates additional work must be done to receive a passing grade. A "U" will become an "F" in 60 days if the work is not satisfactorily completed in that time period.

N--This grade is assigned only to those who audit a class. No arrangements may be made at a later date to change the grade to one allowing course credit.

I--This grade may be assigned only if the student has been unable to complete the course because of unavoidable circumstances. The reason for an "Incomplete" must be approved by the professor of the course and shall be noted on all grade reports. A course in which the student received a grade of "I" must be completed within 30 days after the end of a semester unless special permission is granted by the instructor and the Dean. Failure to complete the work within those time limits will result in a grade of "F." Merely failing to complete the work on time is not a legitimate justification for the use of "I." If the grade of "I" has not been officially changed within 30 days, the grade will automatically be changed to "F."

MI--This grade is an "Incomplete" assigned due to medical concerns. The same considerations given above for an "I" apply to the "MI" except that the 30 day time limit might be extended based upon recovery time required for the illness, accident, etc.

WD--During the first week of a class, a student may drop a course without academic penalty. These courses will show a grade of "WD" on the institution's internal database but will not be printed on outgoing transcripts. These courses will not be calculated on the cumulative grade point average.

WP--This indicates that the student is withdrawing as passing. This grade has no bearing on the student's GPA.

WF--This indicates that the student is withdrawing as failing. The grade of "WF" will be calculated as part of the student's GPA.

W--This indicates that the student has officially withdrawn from the institution. A "W" is not calculated as part of the student's GPA.

3. The faculty may record a plus or minus after each passing grade where appropriate. This recording will be placed on the student's permanent record but will in no way affect the student's GPA.
4. Only courses taken at LRU are used in computing a student's GPA.
5. A change in a recorded grade (other than the grade of "I") may be made by an instructor only with the approval of the Dean. The Dean will recognize as justification for a change of grade only the fact that the professor made a grade calculation or recording error. A request for such change must be made in writing.

COURSE LOAD

Full-time Students

An on-campus student must carry at least 12 hours per semester to be considered a full-time undergraduate student. A full-time graduate student must carry at least 9 hours per semester. A semester load of more than 15 hours in the College or 12 hours in the Seminary requires permission of the appropriate Dean.

Students on Probation

No student (undergraduate or graduate) on probation may take more than 12 hours of course work in a semester.

Distance Learning Students

Distance learning takes place through online, extended modular, and independent study. The distance education student may take courses through one or a combination of these modes or regular on campus courses. Like the on-campus student, the distance learner must carry at least 12 hours per semester to be considered a full-time undergraduate student. A full-time graduate student must carry at least 9 hours per semester. A semester load of more than 15 hours in the College or 12 hours in the Seminary requires permission of the appropriate Dean.

GRADE REPORTS AND CORRECTED COURSE RETURN PROCEDURES

On-Campus and Online Courses

The grade will be posted online within 30 days after the completion of the semester.

Independent Studies

It is strongly recommended that the student taking an independent study course keep a copy of all the work submitted.

After an independent study course has been received by LRU, the student will be notified of the grade within 1 month (2 months for D.Min. submissions). The student should record the grade on the Status Sheet.

In addition to the grade report being sent, LRU will forward a corrected copy of the student's course work. The following procedures will be used:

When any course work is submitted:

1. The student should enclose a 10 x 13 *manila envelope (or larger mailer if necessary), self-addressed, with sufficient postage affixed.* The evaluator will enclose the corrected submission and return it to the student with a copy of the grade.
2. If no self-addressed, postage-paid envelope is enclosed, LRU will return the materials to the student with the copy of the grade. LRU will then bill the student's account \$10.00 or postage plus \$3.00, whichever is greater.

There may be some modification to this policy for foreign students.

WORK IN OTHER INSTITUTIONS

Students are not permitted to transfer credit from work completed at other institutions when the work is done concurrently with the work done at LRU unless permission is granted in advance by the appropriate Undergraduate or Graduate Dean.

ADD/DROP PROCEDURES

When courses are dropped, LRU will follow the refund policy stated under "Refund Policy." When a course is officially cancelled by the institution 100% of the tuition and Technology fee will be refunded and no drop fee will be charged.

On-Campus, Online, and Extended Modular Courses

1. No classes may be added after the second week of classes.
2. During the first week courses may be dropped without effecting one's GPA. These courses will not be recorded on the student's outgoing transcript.
3. Courses dropped after the first week but before the eleventh week will be recorded as "WP" (Withdrawal Passing) or "WF" (Withdrawal Failing), depending on the student's grade at the time the course is dropped.

4. All courses dropped in the last four weeks of a term will be recorded as an "F", except in extreme circumstances subject to approval of the professor and the Dean.
5. Students are required to officially drop a course to be withdrawn. Notifying the professor of the intended drop DOES NOT withdraw one from the course officially. Official course drops are done through the *My Classes* page after logging into www.LRU.edu.

Independent Study Courses

1. If a student officially drops an independent study course in writing within 31 days after he registers, that course will not appear on the student's transcript.
2. If a course is officially dropped after 21 days, but within 15 weeks, the grade of "WP" or "WF" will be assigned, depending on the student's grade at the time the course is dropped.
3. If a course is not completed and not officially dropped prior to the due date, the grade of "F" will be assigned. If a student chooses to repeat a course, he or she must re-register for that course and be billed again at the current tuition rate.

COURSE CANCELLATIONS

For on-campus and online courses, LRU will notify students within one week after classes begin if the course is to be cancelled. All tuition and course-related fees will be refunded. In addition, no late fee will be charged to replace the dropped class with another class. Textbook refunds are the student's sole responsibility.

WITHDRAWAL FROM THE INSTITUTION

If a student finds it necessary to withdraw from LRU, the student must notify the Registrar's Office in writing or via email at Registrar@LRU.edu.

In order to withdraw from LRU, the student must have made satisfactory financial arrangements with the Business Office.

No withdrawal becomes official until each of the requirements listed above has been satisfied. Failure to make official withdrawal may disqualify the student for reactivation at a later time.

ACADEMIC PROBATION, SUSPENSION, AND DISMISSAL

The GPA for online students will be calculated at the same time that it is calculated for on-campus students. The summer term will be counted as part of the spring semester. The student will be notified in writing by the Registrar's Office of any action involving probation, suspension, or dismissal.

1. Bachelor and Master Degree Programs

Probation:

If a student fails to maintain a 2.0 cumulative GPA for two consecutive semesters, he or she will be placed on academic probation.

A student will be allowed to continue on a semester-by-semester basis under the condition that he maintain a 2.0 GPA each semester. When the student's cumulative GPA reaches 2.0 or better, he or she will be removed from academic probation.

Suspension:

While on probation, if a student fails to maintain a 2.0 GPA in any semester, he or she will be suspended for 1 semester.

After the period of suspension, a student may re-enroll on probation. The above probation procedures will be followed.

Dismissal:

Upon reaching the point of being suspended the second time, the student will be dismissed from the institution.

A student who has been dismissed may not make application to reactivate for at least 1 year. Reactivation is not guaranteed.

2. D.Min. Degree Programs

Probation:

A D.Min. student whose GPA falls below 3.0 will be placed on academic probation. No credit will be awarded for courses that receive a grade lower than B.

A student on academic probation will be allowed to continue on a course-by-course basis under the condition that he earns at least a "B" for each course. When the student's cumulative GPA reaches 3.0 or better, he will be removed from academic probation.

Suspension:

While on probation, if a student fails to maintain a 3.0 GPA in any semester, he will be suspended for 1 semester.

After the period of suspension, a student may resume his coursework on probation. The above probation procedures will be followed.

Dismissal:

Upon reaching the point of being suspended the second time, the student will be dismissed from the institution.

A student who has been dismissed may not make application to reactivate for at least 1 year. Reactivation is not guaranteed.

3. Academic Integrity

- a. *Plagiarism:* According to the *American Heritage Dictionary*, 2nd College Edition, plagiarism is defined as taking and using "as one's own the writings or ideas of another." Plagiarism shall include failure to use quotation marks

or other conventional markings around material quoted from another source. Plagiarism shall also include paraphrasing a specific passage from a source without indicating accurately what that source is. Plagiarism shall further include letting another person compose or rewrite a student's written assignment.

b. *Falsifying Information:*

- * Forging a proctor's name.
- * Submitting another's work as one's own.
- * Providing false or misleading documentation.

c. *Other Forms of Academic Dishonesty:*

- * During examinations, academic dishonesty shall include referring to written information not specifically condoned by the instructor or syllabus. It shall further include receiving written or oral information from a fellow student or proctor.
- * Academic dishonesty shall include stealing, buying, selling, or transmitting a copy of any examination.

Any student proven to have committed any of the above will receive an "F" for the course and will receive an academic warning. If the student is proven to have been guilty a second time, he or she will be dismissed.

ACADEMIC APPEALS

Any student desiring to appeal a grade received may, within 30 days of the grade being given, do the following:

1. An on-campus student must make an appointment with the professor of the class to discuss the issue.
A distance learning student must telephone or email the professor involved to discuss the issue.
2. After discussing the issue with the professor, the student must submit a written request to the professor for re-evaluation of the grade in question.
3. If the issue is not resolved satisfactorily, the student must address a written appeal to the Dean of the College if an undergraduate student and to the Dean of the Graduate School if a graduate student.
4. The decisions of the Academic Dean are final.

If the student desires to make an academic appeal based on extenuating circumstances, the following should be noted:

Consideration will be given to students who demonstrate in writing extenuating circumstances that hinder the completion of, or require withdrawal from, an on-campus class or on-campus classes. Other modes of study for completion of the on-campus class or on-campus classes will be included in the consideration.

Extenuating circumstances will include, but not be limited to, the following: death in a student's immediate family, crisis with a student's employment, prolonged serious illness of a student or a student's immediate family member, serious accident suffered by a student or a student's immediate family member, a student suffering a natural disaster, a military student's deployment or work.

In all cases which affect a student's immediate family member (except in the case of the death of a student's immediate family member), the phrase "immediate family member" will include a student's spouse, child, father, mother, father-in-law, or

mother-in-law. In the case of the death of a student's immediate family member, the phrase "immediate family member" will, in addition to the preceding, also include a student's brother or sister.

NON-ACADEMIC APPEALS

Any student desiring to appeal non-academic decisions may, within 30 days of the decision, do the following:

1. Request in writing a hearing with the immediate supervisor of the individual or individuals involved along with all parties present.
2. If action is not satisfactory, request in writing a hearing with the President and those individuals present in the first meeting.
3. The decision of the President is final.

STUDENT GRIEVANCE POLICY

Luther Rice Seminary/University students who have a complaint about any aspect of their experience at the institution should follow the steps below. All requests will be handled confidentially.

1. In accordance with the teaching of Jesus (Matthew 18), the student who has a grievance should first try to resolve the issue with the party or parties involved. This may be done through written correspondence, by phone, or in a face-to-face meeting. If the issue is satisfactorily resolved by such a process, no other action is required.
2. If such a "Summary Disposition" as is detailed in item 1 above does not settle the issue, the student should submit the complaint in writing to studentservices@lru.edu or mail it to Student Services Luther Rice Seminary/University, 3038 Evans Mill Road, Lithonia, Georgia 30038. The complaint must include detailed information, including specific dates, times, and the people involved, as well as an account of how the student has sought to resolve the issue up to this point (including copies of all correspondence to and from the parties involved.). The complaint will be submitted to the appropriate administrator by Student Services.
3. The appropriate LRU administrator will review the complaint and send a response to the student within 7 business days. If the student does not believe the complaint was handled properly he/she may submit the complaint in writing including the details from step 2 to the Administrative Council by emailing it to studentservices@lru.edu or mailing it to Student Services Luther Rice Seminary/University, 3038 Evans Mill Road, Lithonia, Georgia 30038.
4. If, after the above steps have been taken, the student does not believe that the complaint was handled properly by the institution, he/she should contact the accrediting agency, Transnational Association of Christian Colleges and Schools at Post Office Box 328, Forest, Virginia 24551, 434-525-9539, or info@tracs.org.

REMEDIATION POLICY

LRU is aware of the difficult conditions under which some students have to study. If there is anything that a student cannot grasp or which requires further clarification, the student is encouraged to consult his or her advisor or the Director of Student Services.

English as a Second Language

A student who practices English as a second language is required to pass the Test of English as a Foreign Language (TOEFL) as a part of his or her entrance requirements.

Remedial Programs

Except in the disciplines of English and Mathematics, LRU does not provide a remedial program for a student who is admitted and finds that he or she cannot work on the expected level of his degree program.

Repeating a Course

LRU follows a non-punitive course of remediation in which a student may repeat a course that was taken at LRU and received a grade of "F" and have only the second grade calculated in the cumulative grade point average. The course repeated will have the original grade replaced with an "R" and a new course entry will be placed on the transcript showing the second grade.

MAKE-UP POLICY

Students are expected to take all quizzes, tests, and examinations and to submit all papers and assignments on the day and hour announced. Exceptions may be made in the case of serious illness or a death in the family, but the responsibility rests with the student to make arrangements with the professor to make up the work.

For those parts of a course submitted or taken late for reasons other than serious illness or a death in the family, make-up privileges are at the discretion of the professor.

4. Along with the Application for Graduation, the student must submit the appropriate graduation fee and a completed copy of his Status Sheet in order to graduate. This Status Sheet will be reviewed and verified by the Graduation Committee.
5. To avoid a late charge, the deadline for submitting an Application for Graduation and appropriate fee is **February 1** of the year in which the student plans to graduate. A late fee of \$100 will be charged on all applications submitted after February 1. No applications will be processed after March 1. Delivery of graduation regalia and diplomas in time for the commencement exercises is guaranteed only if applications are received by February 1.
6. A student may receive a Letter of Completion before the May commencement exercises if he meets the following criteria. The diploma itself will be dated May, and will be awarded only in May.
 - a. The student must have submitted an Application for Graduation and the graduation fee by the deadlines stated above.
 - b. All academic work must be submitted by **April 1** for May graduation.
7. There is also a Late Course Fee for each course needed for graduation received after April 1 of the graduation year. No courses will be accepted after April 15 of the graduation year.

Graduation Week

Commencement exercises are held only in May, on the Friday following Mother's Day.

Commencement Attendance

Attendance at commencement is mandatory for every student residing in the state of Georgia. Absences will be granted only for extreme emergencies and must be approved by the Board of Trustees. Though a student may complete his work earlier, he must attend the May exercises if he resides in the area of mandatory attendance. If a student does not attend graduation exercises, except for an approved emergency, he must reapply the following year, pay the current graduation fee again, and attend graduation. A diploma cannot be received until attendance at the graduation exercises. If a student has completed all the requirements for his degree program, but has not graduated, a Letter of Completion can be obtained from the Registrar's Office.

TRANSCRIPTS

1. Transcripts are released only to the student or to another institution at the student's written request. Official transcripts are sent only to other institutions, not to the student. Transcripts will be provided for a fee of \$5.00 for each address to which the transcript is sent.

2. A transcript will not be released until all accounts are paid in full.
3. Request for transcripts must be in writing. There is a 3-5 day turn-around time after transcripts are requested. During peak times of the year, the turn-around time could be 5-10 days. For an expedited transcript, the fee is \$25.00 and will be processed within one hour of request.

RESIDENCY REQUIREMENTS

Bachelor and Master-level students may complete their degrees through distance education courses, without residential study.

Doctoral students are required to attend four modular course weeks on campus. These may be taken at various times throughout the 3-5 years of the program. However, they must be completed prior to the Major Ministry Project. Doctoral students must also attend the one day Graduate Colloquy held on campus during graduation week. All other work may be done through distance education.

PROCTORS

A proctor is one who supervises the student as he takes examinations and verifies the integrity of the testing process. The proctor may not live at the same home address as the student, be a relative, or be actively applying to an LRU degree program.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records:

1) The right to inspect and review the student's education records within 45 days of the day the Institution receives a request for access. Students should submit to the Registrar, Dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The Institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Institution official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the Institution to amend a record that they believe is inaccurate or misleading. They should write the Institution official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the Institution decides not to amend the record as requested by the student, the Institution will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to institution officials with legitimate education interests. An institution official is a person employed by the Institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the Institution has contracted (such as an attorney, auditor, or collection agent); a person serving on the

Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another institution official in performing his or her tasks. An institution official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the Institution discloses education records without consent to officials of another institution in which a student seeks or intends to enroll.

LUTHER RICE SEMINARY GRADUATE DIVISION

MASTER PROGRAMS

Students enrolling in a Master-level degree program will experience a different kind of educational approach than what is typically found in an undergraduate program. Undergraduate programs provide a broad foundation of general knowledge. Although no particular undergraduate major is required for entrance into a graduate program, graduate studies build upon the undergraduate foundation by providing a higher level of knowledge, understanding, skills, and application. Such education is developed by challenging the student's intellectual and emotional capabilities in analysis, synthesis, evaluation, and judgment.

There are five Master programs of study: The Master of Arts in Apologetics, The Master of Arts in Christian Studies, the Master of Arts in Biblical Counseling, the Master of Arts in Leadership, and the Master of Divinity. The MA degrees are designed to train students in a limited field of study based on the students' interests or needs.

The Master of Divinity degree is designed to provide a broader base of knowledge to fit the needs of students preparing for a lifetime of ministry. The curriculum is representative of those areas considered essential for effective Christian service in a broad range of contexts.

PROGRAMS OF STUDY

Master of Arts in Apologetics

DOCTOR OF MINISTRY PROGRAM

The quality and success of the Christian ministry are very often determined by the minister's ability to think critically, biblically, and theologically; to communicate that thinking in oral and written fashion; and to apply that thinking in real-life ministry. The Doctor of Ministry degree presumes a level of theological knowledge and competence in ministry skills. The Doctor of Ministry student should have had Master level studies in Bible, theology, evangelism, homiletics, pastoral ministry, and Christian education equivalent to the Master of Divinity degree. This background is necessary since the Doctor of Ministry program provides an educational opportunity, in the context of the student's own ministry laboratory, to develop and enhance specific advanced competencies related to the practice of Christian ministry.

STUDENTS WITHOUT A MASTER OF DIVINITY DEGREE

Applicants whose Masters degrees are not equivalent to the M.Div., but have at least 60 semester hours of theological/biblical/ministerial course work, may choose from the following options:

1. Enroll in one of the Master-level programs and complete at least 30 semester hours of master-level work, to be awarded a degree.
2. Enroll as a non-degree seeking special student and take graduate-level courses to make up the deficit between their degree and the 90 hour M.Div.

The M.Div. degree will not be awarded if less than 30 semester hours of such compensatory work is done. Students desiring the M.Div. degree should enroll in that program.

Award of the M.Div. degree or completion of the deficit credit does not guarantee acceptance into the Doctor of Ministry program. Once the M.Div. or its equivalency has been completed, the student should begin normal application procedures for the Doctor of Ministry.

ENROLLMENT

Consecutive, continuous enrollment is required until all doctoral study is completed and all graduation requirements are fulfilled. Students complete the program at their own pace within the time limitations, but they must take at least two courses per academic year. Tuition fees are paid per course per semester. Failure to meet these guidelines will result in the student being dropped from the program.

TIME REQUIREMENTS

Since the Luther Rice Doctor of Ministry program is for persons already engaged in ministry, the length of time to complete the program varies. Normally the program is completed in 3 years. It may not be extended beyond 5 years.

If extenuating circumstances should force a student to suspend Doctor of Ministry studies for a prolonged period of time, the Registrar must be notified in writing of the student's intention to withdraw from the program. Upon withdrawal, the student may be on a leave of absence for up to one year.

This leave of absence will not count toward the program's time limits, nor will billing continue during the period of inactivity. When the student is ready to resume studies, a "Reactivation Application" should be accessed through www.LRU.edu or requested from the Admissions Office. Upon receipt of that completed application, billing will resume and the student may return to the Doctor of Ministry coursework. NOTE: ONLY ONE WITHDRAWAL IS ALLOWED DURING THE COURSE OF STUDY.

For more information, see "Readmission Policies" and "Withdrawal from the Institution."

A student desiring to graduate in May must have satisfactorily submitted the first draft of the Major Ministry Project by August 15 of the previous year, and satisfactorily submitted the final draft of the Major Ministry Project by February 1 of the graduation year. Final approval of the Major Ministry Project by the Graduate Committee must be received no later than April 1.

To encourage the students in lifelong learning, all students who graduate with an LRU Doctor of Ministry degree are invited to audit any future doctoral module on a space available basis without incurring tuition or an audit fee.

GRADING POLICY

The Doctor of Ministry student must earn a minimum grade of "B" in each course. Failure to achieve a grade of "B" will necessitate repeating the course or taking an approved substitute course. For information on dropping below a 3.0 grade point average, see the section on "Academic Probation, Suspension, and Dismissal."

PURPOSE

The purpose of the Doctor of Ministry program is to provide advanced competencies and biblical insights into the practice of ministry for those actively involved in vocational Christian ministry.

OBJECTIVES

Graduates of the Doctor of Ministry program will be prepared to:

1. Demonstrate an advanced understanding and integration of ministry in relation to the biblical, theological, academic, and pastoral disciplines.

MAJOR MINISTRY PROJECT

The Bible stresses the importance of applying in ministry what has been learned from the Word of God (John 13.17; Jas 1.22). The climax of the Doctor of Ministry program is a “hands-on” implementation of acquired knowledge and skill in a Major Ministry Project.

DMMP 950 MAJOR MINISTRY PROJECT

This is a supervised project addressing a specific concern in the student’s present ministry context. The project must have measurable objectives, be biblically and theologically informed, be transferable to other ministries in similar contexts, and reflect knowledge and skills gained through the Doctor of Ministry studies.

The D.Min. candidate should register for this project the semester that work on the first draft begins. Registration for DMMP 950 is the same as registration for any other course.

The project is divided into two parts:

Major Ministry Project – First Draft

The First Draft of the Major Ministry Project is a detailed written account of the project. The report must contain the following elements:

1. An explanation of the problem addressed in the Major Ministry Project
2. A description of the ministry context in which the project was undertaken
3. A survey and analysis of relevant literature
4. An exposition of the informing biblical/theological data
5. A step-by-step account of how the problem was addressed
6. An evaluation of the project’s effectiveness

The work is to be submitted to the Registrar's Office of LRU, not to the faculty advisor.

This draft must be submitted in satisfactory form and with minimal grammatical errors no later than August 15 of the year prior to graduation.

Major Ministry Project – Final Draft

This is the Final Draft of the Major Ministry Project. It must be in final form with no grammatical errors and reflect any changes required by the advisor and/or Graduate Committee in their review of the first draft. It is due no later than February 1 of the graduation year. Two bound copies will be retained by LRU.

COLLOQUY

“He that walketh with wise men shall be wise” (Prov 13.20). The Doctor of Ministry Colloquy is based on the biblical premise that true believers sharpen one another “as iron sharpens iron” (Prov 27.17).

DMCO 950 GRADUATE COLLOQUY

This is a one-day campus review in which the student presents an oral report of the Major Ministry Project and is interviewed by faculty and peers regarding the project. Special guests will present sessions designed for the student’s personal, professional, and spiritual edification.

This final component of the Doctor of Ministry program is held on Thursday of graduation week. All graduating Doctor of Ministry Students must attend.

THE ADMISSIONS PROCESS

Step 4: Take the Bible knowledge E-test online. Once an application is received, the applicant will receive an id and password to access the test through Blackboard on the LRU website.

Within 2 to 3 weeks of completing all of these steps, you will receive a final acceptance packet via regular mail. The packet outlines your course of study and tells you exactly how to get started.
