

Counseling Services

Academic

The Academic Advising Office is available to assist students with course scheduling and degree planning questions. Students may call, email, or visit the campus in-person to receive assistance. To speak with an advisor or schedule an appointment, please contact the Academic Advising Office:

- Phone: 1-800-442-1577 ext. 5754
- Email: aao@lutherrice.edu
- In-person: Williams Hall, second floor

Career

Career counseling is available from our partner, [The Georgia Baptist Convention](#) (GBC). The GBC offers credentialed ministers who are able to assist students in various capacities. Students also have access to an array of career services via our career services website, [College Central.com](#). In addition to career counseling, students are able to utilize résumé building services, job placement services, and a job board with current employment and internship opportunities.

Professional

Whenever students are in need of professional counseling services (non-licensed Christian Counseling services are also included), we offer a list of individual counselors and treatment centers*available in the local area. In addition, we provide national Christian Counselor data bases that enable all students to locate professional counselors regardless of their place of residence. For immediate local assistance please contact the Georgia Crisis and Access Line, 1-800-715-4225, www.mygcal.com.
