## LD 8808 - Leadership Values and Communication

### DOCTORAL-LEVEL COURSE

#### **COURSE DESCRIPTION:**

Using various communication and values audits, students will examine organizations and how a leader's personal values and communication skills impact participants within an organization. These audits will be evaluated and interpreted based upon the literature regarding leader values and communication. Students will further their research skill by writing a research proposal that identifies a problem, the literature relating to the problem, and a possible research design to address the problem.
