

# Luther Rice College & Seminary

## PY 4702 - Abnormal Psychology

### BACHELOR-LEVEL COURSE

#### **COURSE DESCRIPTION:**

This course will introduce the student to the scientific study of mental illness. Students will explore such topics as basic definitions and concepts of psychopathy, historical perspectives, theoretical models of psychopathology, assessments and diagnoses of mental illness, and research methods for studying mental disorders.

Current students may contact an Academic Advisor for course selection guidance or general degree assistance at 770-484-1204 ext. 5754 or [AAO@LutherRice.edu](mailto:AAO@LutherRice.edu).

For admissions information contact an Enrollment Advisor at 770-484-1204 ext. 5758 or send an email to [Admissions@LutherRice.edu](mailto:Admissions@LutherRice.edu).
