

## Where Do I View the Classes I am Enrolled in Blackboard?

- Classes will be available in Blackboard starting on the first day of the semester.
- Only some on-campus courses use Blackboard.
- Once you are logged into Blackboard the classes you are enrolled in will display here.

The screenshot displays the Blackboard user interface with several panels. On the left, there are three panels: 'My Announcements', 'My Calendar', and 'My Courses'. The 'My Announcements' panel shows a message about system announcements and a course announcement for 'CO 528-W Introductory Announcement'. The 'My Calendar' panel shows a message about calendar events. The 'My Courses' panel shows a list of courses in which the user is enrolled, including 'Biblical Counseling and Helping Skills (Fall online)' and 'CO 528-W Introductory Announcement'. Below the 'My Courses' panel is a 'Quick Tutorials' section with a link to 'Course Management'. A black arrow points from the text 'classes you are enrolled in will display here.' in the list above to the 'My Courses' panel.
