Frequently Asked Questions

When and how should I register?

You can register for the spring semester now through the first day of class.

What courses should I take?

All of our programs have core courses. We highly recommend that you complete these courses before you take electives. Taking English, history, and other general education courses will benefit you more if you complete them early in your program. Also, remember to sequence your coursework appropriately by taking introductions and surveys of a discipline before taking more intensive studies of a subject. Most courses do not have pre-requisites, but some do. So make sure to check the catalog descriptions for those. As always, your Office of Academic Advising can help you decide which courses are right for you each semester. Contact them if you have any questions at AAO@lutherrice.edu or 770-484-1204.

How many courses should I attempt in a semester?

Since most of our students are adult learners, they have many responsibilities outside of school: full-time employment, church ministry, children at home, and aging parents. These responsibilities sometimes conflict with the effort to complete a program of study, which requires a significant amount of work. Some students, eager to complete their degree as soon as possible, load up on courses only to later find that they must drop some of them because of life circumstances, or they realize that they overestimated their ability and availability. While our online program is quite flexible and allows you to complete your degree from home, there are typically coursework deadlines each week that require diligence.

We recommend that you start out slowly with one or two courses, and see how well you can handle the extra load in your particular situation in life. A full-time load for undergraduate students is 12 hours; for graduate students, it is 9 hours.

Will the published schedule change?

The schedule is subject to change. However, we will do our best to keep the classes that we have listed. The most likely changes that could take place are changing the assigned professors and adding courses.

Who do I talk to if I have a problem?

Please talk first to an Academic Advisor. Our Academic Advisors are trained, prepared, and eager to help you succeed in school. If you have issues that an advisor cannot resolve, please contact the Office of Student Development.
